## Commitment to Child Safety

All members and stakeholders of the Ocean Grove Cobras Junior Football Club have a shared responsibility of understanding their role in ensuring the safety and well-being of all children and young people in our care.

The Ocean Grove Cobras Junior Football Club is committed to providing and promoting a culture and an environment that ensures children and young people feel safe, secure, and supported, that abuse is prevented, and children and young people's rights are protected.

The Ocean Grove Cobras Junior Football Club also seeks to ensure the cultural safety of First Nations children, children from culturally and/ or linguistically diverse backgrounds and children with a disability.

This commitment to Child Safety will be achieved through:

- Implementing and adhering to the Child Safety Standards.
- Development of transparent and effective processes that meet the needs of children and young people in our care.
- Addressing and reviewing our Child Safety processes through committee meetings and engagement of the wider Cobras community.
- Ensuring we have feedback opportunities for the members of the OGCJFC

The safety of children and young people will remain paramount at the Ocean Grove Cobra's Junior Football Club.
